

We would like to invite your dancer to audition for our NS Dance Studio Energy Performance Company! This company is designed for ages 6 and up! This company is uniquely designed for students that are dedicated and would like to be a part of the competitive dance environment with less time commitment or experience needed.

## Requirements for Energy Performance Company:

- The students must attend the auditions on May 6 (Rising Kindergarten- 5th) or May 7th (Rising 6th & Up); Times TBA.
- Students must attend both weeks of the Intense Summer Dance Camp in June of 2025.
- Students must attend Ignite: Guest Artist Workshop August 8-10 (Price to be determined)
- There will be a Company Bootcamp August 11-15, 2025
  - It will not be every day of that week, and a schedule will be posted closer to the dates, however Friday the 15th will be a mandatory day for a Company Kickoff Party starting around 5:30pm
- Students must be enrolled in the style of dance in which they will compete. The Faculty will decide on the style of dance after auditions. In the past, Energy Company has competed with Jazz.
- Ballet and Jazz will be required classes in the fall in addition to the style of dance they will be competing in.
- The Energy Performance Company will learn one dance to compete. This dance will be taught during regularly scheduled weekly rehearsals that will begin in early September once music is finalized. These rehearsals are **required** attendance unless pre-approved by the lead Faculty Member for the company.
  - If we have enough company members, we can create a class for them, which would allow any weekend rehearsals to be more occasional.
- Energy Company Members must attend all scheduled company rehearsals, competitions and performances. Dates of these competitions/performances will be announced as soon as possible. They are usually in January-early April. Competition dates are announced towards the end of summer, as many competitions do not publish their dates until July/Early August. We require that you hold the entire weekend of competition open. We generally do not get schedules from competitions until about a week away from the competition dates. But all dates for competition must be kept open on your schedule until we receive the final schedule from the competition.
- Energy Company is invited to participate in Deck the Heights each year and certain Master Classes held at NS.
- All Company Members are required to be on Auto-Pay for the entire 2025-2026 year.

## Financial Obligations for the Energy Performance Company:

(These financial obligations are in addition to your monthly tuition, registration fee, recital costumes & recital fee.)

**Note: Prices are subject to change, as these numbers are to give you an idea of the financial commitment and reflect prices during the 2024-2025 Season.**
